# OUR SERVICES

## 1. Animation

To give life to a character or even an environment in accordance with the needs of our clients is something we take pride in. Our 3D artists work over the clock to make sure every scene or shot is animated and delivered in the best possible way.

## 2. Video Production

Zaini Media from its roots has been specialised in film making and video production from concept development to production, all the way to Post production.

## 3. Events

An event is an occasion where people join in together without cultural barriers and the success of an event lies in the experiences that the people take back. We at Zaini Media make sure that every event experience is tailored to audience like never before.

# EPSON

# 2D ANIMATION

An inspiring and emotional story has power to touch the hearts of people around the world. We were really excited to work with Epson on this amazing journey to create this story which we built up. Feeling thankful for the family and grace we receive in our lifetime as time passes by. We in Zaini Media wanted to capture that very essence of life as time passes by.

Festival for Children and Youth

## VIDEO ANIMATION

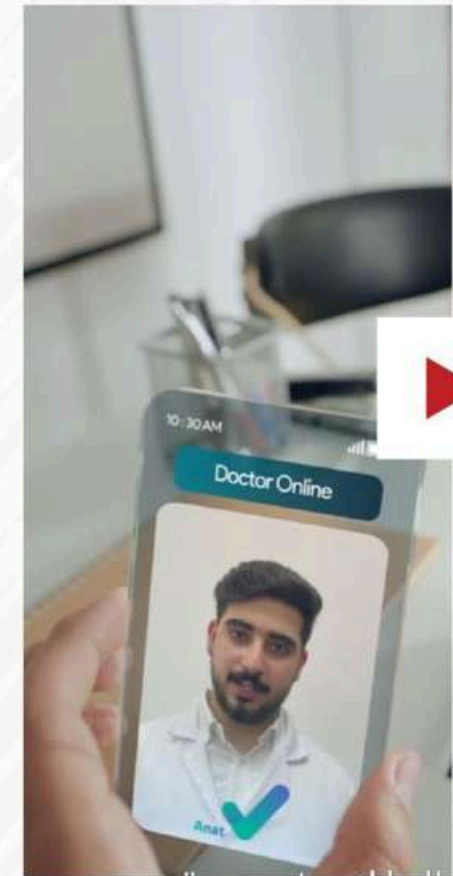

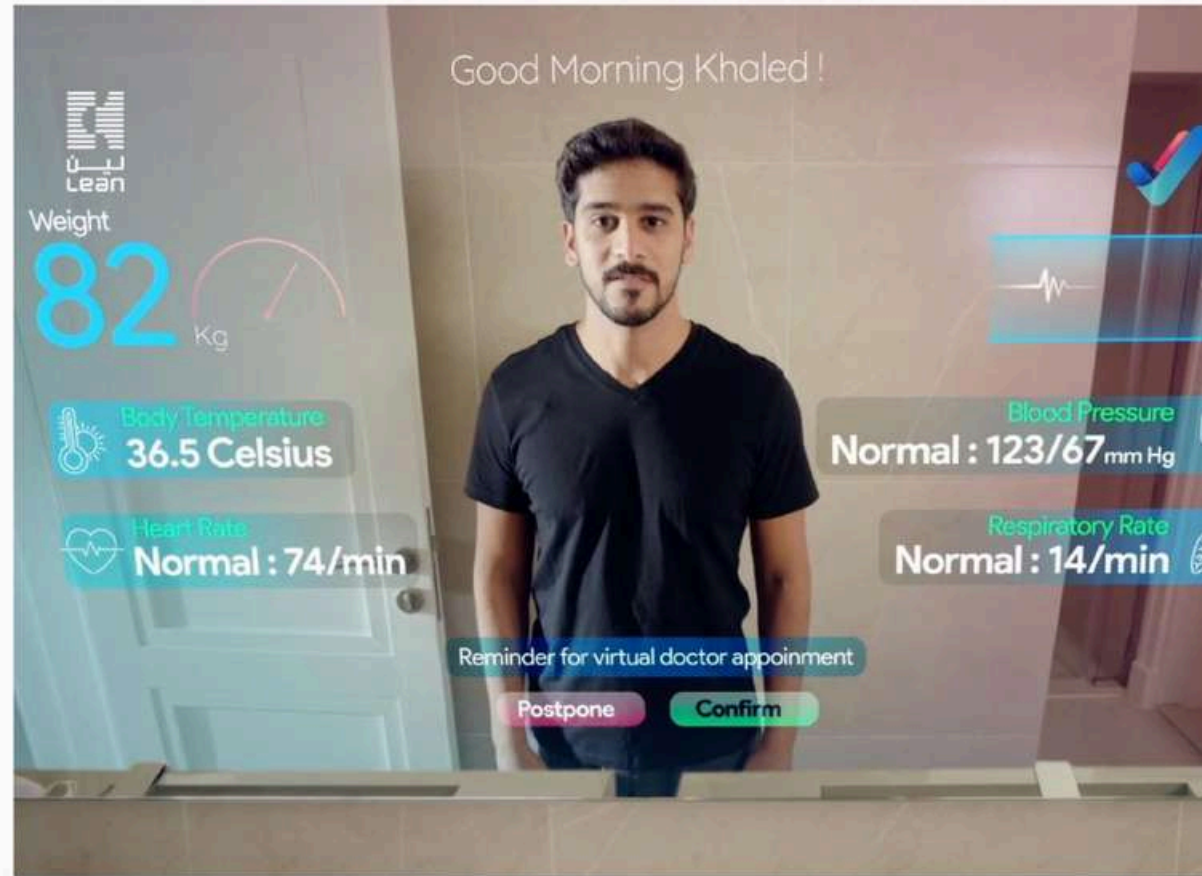

Sharjah International Film Festival for Children & Youth (SIFF) was launched in 2013. It is the first children & youth film festival in the country and the region, and it is a project of FUNN, an organization established by Sharjah government (under the patronage of Her Highness Sheikha Jawaher Al Qasimi, wife of His Highness, the Ruler of Sharjah). The festival is dedicated to enhance the media literacy of children and youth, foster children's & youth's creativity and showcase the very best in filmmaking for, by and about children and young people.
